**Subject: Request for Salary Increase**

Dear Manager,

I hope you are doing well.

I am writing to respectfully request a review of my current salary. During my time at Codex, I have worked diligently to fulfill my responsibilities, contribute to team objectives, and support the company's goals. I have consistently aimed to maintain high standards of performance and professionalism in my role.

Over time, I have gained additional experience, developed new skills, and taken on responsibilities that have contributed positively to the organization. In light of these contributions and considering current economic conditions and cost-of-living increases, I would like to request a salary adjustment that reflects my performance and value to the company.

I appreciate the opportunities for growth and development that I have received and remain committed to contributing to the continued success of the organization. I would be grateful for the opportunity to discuss this request with you at your convenience.

Thank you for your time and consideration.

Sincerely,

---
